

3 Spalten - Bild/Text aufklappbar

TRANSFERIERT [Contentelemente](#)

Accordion über drei Spalten

The image displays a web editor interface for a 3-column accordion layout. On the left, a preview shows three columns, each with a photo of a man and a woman in yellow shirts. Below each photo is a 'Teasertext' field with a plus icon. A blue bar at the bottom contains 'Ausklappbarer Text'. On the right, the 'Erweiterungsoptionen' (Extension Options) panel is open, showing the selected option '3 Spalten - Bild/Text ausklappbar'. The panel includes a search bar for 'Datensätze suchen', a file selection area with 'zwrdkDividerKlein.jpg', a 'Teasertext' field, and a 'Text ausklappbar' field with a rich text editor toolbar. Arrows connect the preview elements to the corresponding fields in the configuration panel.
