Accordion - Inhalte, die sich auf- und zuklappen lassen

Accordion mit aufklappbarem Text. Überschrift und Inhalt sind frei wählbar, ebenso die Anzahl der Tabs.

The image displays a content management system interface. At the top, a preview of an accordion widget is shown. The first tab is titled "Empfohlene Bewerbungszeiträume 2019 für, von den Ferien abhängige, Rettungsschwimmer" and is currently expanded, showing a sub-header "Contentelement Accordion (h4)" and a paragraph of placeholder text: "Lorem ipsum dolor sit amet, consetetur sadipscing elitr, sed diam nonumy eirmod tempor invidunt ut labore et dolore magna aliquyam erat, sed diam voluptua. At vero eos et accusam et justo duo dolores et ea rebum." The second tab is collapsed. Below the preview is a configuration panel titled "Erweiterungsoptionen". It shows the "Option(en)" set to "Accordions". Under "Accordions", there is a button "Alle umschalten". The "Text" section is expanded, showing the "Titel" field with the value "Contentelement Accordion (h4)" and a rich text editor for the content. The rich text editor includes a toolbar with various formatting options and the same placeholder text as seen in the preview. At the bottom of the configuration panel, there are buttons for "Inhaltselement" and "Text".
